NEWS

The Press of Atlantic City chooses K&M to supply new packaging equipment. The new system will be anchored by a 25:1 TITAN G60, powered by MIRACOM, for it's Sunday packaging and two remanufactured 1472 inserters for the daily packaging. K&M will begin installation in early 2007. K&M recently completed a successful TITAN G60 installation at the Southern Illinoisan in Carbondale, IL

K&M's other recent orders and installations include:

- The Washington Times, Washington DC - 1372R
